4th Annual Homeschool Science Fair

Monday, April 13, 2026 | 4-7 p.m. at the Emerald Coast Science Center

The Emerald Coast Science Center is proud to host its Fourth Annual Homeschool Science Fair, a celebration of curiosity, creativity, and hands-on discovery. This event brings together homeschool students from across our community for an evening dedicated to scientific inquiry, innovation, and confidence-building. Participants design and present original projects, practice real-world communication skills, and engage with peers who share their passion for learning.

Over the past three years, our Homeschool Science Fair has become a meaningful and highly anticipated experience for students and families alike: one that nurtures a love of STEM while providing a supportive, encouraging environment for young scientists to shine. As we enter our fourth year, we are excited to continue expanding this opportunity and strengthening connections within the homeschool community.

We invite you to support the next generation of innovators, problem-solvers, and critical thinkers by partnering with us as a sponsor of the Homeschool Science Fair. Your contribution directly supports student participation, event operations, and the creation of an inspiring experience that celebrates academic achievement and lifelong curiosity.

Yes! We would like to sponsor the Science Fair:

Sponsor Level: ~~Title Sponsor~~ CLAIMED Program Event

Business Name: _____ Contact Name: _____

Phone Number: _____ Email: _____

Address: _____

Please submit your completed form and high-resolution logo to kate@ecscience.org. Payment can be made via your preferred method: online invoicing through Quickbooks, payment via phone (please call 850-664-1261), or checks can be mailed to:

Emerald Coast Science Center
31 Memorial Pkwy SW
Fort Walton Beach, FL 32548

We appreciate your support in encouraging the next generation of scientists to explore, encounter, and educate themselves through the wide world of science.
